

OHMVR Commissioners,

California State Park concessions are an extremely important component of the visitor services we provide at our State Vehicular Recreation Areas (SVRAs), and throughout the entire State Park system. At the SVRAs, concessionaires include but are not limited to OHV repair service providers, parts supply vendors, food and beverage sales, tow and RV pump services, and equipment rentals.

Pursuant to Public Resources Code Section 5080.20, no contract expected to involve a total investment or estimated annual gross sales in excess of five hundred thousand dollars (\$500,000), may be advertised for bid, negotiated, renegotiated, or amended in any material respect unless and until the Commission has reviewed the proposed services, facilities, and location of the concession and determined they meet the requirements of Sections 5001.9 and 5080.03, and are compatible with the State Park classification of the unit in which the concession will be operated.

Attached, please find Staff Reports and General Plans for these existing concession operations at Carnegie and Oceano Dunes State Recreation Areas.

Please let me know if you have any questions.

Sincerely,

Phil Jenkins
Chief, OHMVR Division
